5 NEW HOMES BEING SHOWN AT WHITE OAKS

Heralding what is anticipated as a huge modest priced home building program on the Peninsula, a Small Home Exposition opens at "White Oaks" near San Carlos tomorrow with a public showing of five California modern houses occupying adjoining locations. Announcement of the small homes show is made by Emge & Stockman, exclusive sales agents for the White Oaks property.

The homes, built by Paul Wolters of San Francisco and designed for out-of-door suburban living, are of the two bedroom type, constructed all on one floor and styled to harmonize with the huge oak trees surrounding them. They are priced between $6000 and $7000 and are built on large sized lots, with all improvements, street work and utilities completed. All modern conveniences are included and features of each home are large out-of-door patios designed for seclusion and comfort.

Each home has been landscaped and gardened and so set on each lot as to take full advantage of daylong sun. They are provided with large sized living rooms, fire places, dining room, kitchen and laundry, two bedrooms, all tiled bath and built-in shower, entrance hall and large closets throughout. Each home includes a two-car garage.

Increasing demand for low priced lots that are in economic balance with $5000 and $6000 homes, are reported in White Oaks by Emge & Stockman.

"White Oaks" is located on El Camino Real between San Carlos and Redwood City.

IF YOU'RE THIRSTY

Leighton Noble, orchestra leader, and his vocalist, Edith Caldwell, are preparing a cooling drink from this convenient Ice Hospitality Chest. Small and compact, this chest is mighty handy when the "after-game" football crowd comes trooping in, tired and thirsty. Ample space is provided in the Hospitality Chest for refreshing drinks, kept icy cold in their bed of crystal-clear ice cubes.

250 Are Expected At Chest Dinner Monday Evening

Rivaling the annual Redwood City Chamber of Commerce Community Banquet for popularity, the Community Chest "Kick-Off" Dinner set for Monday at 6:15 at Sequoia High School Cafeteria will be attended by at least 250 persons, Campaign Director Tom Kane predicted today.

However, he emphasized that the affair is open to the public. Reservations should be made at the chest office, telephone 2316. Price is 75 cents. For that amount, Kane disclosed, a meal will be served consisting of relishes, fruit cocktail, salad, roast beef, potatoes, vegetables, rolls and butter, pie and ice cream, coffee and after-dinner mints.

Speakers will tell of the Community Chest and of the six agencies participating. Community singing will be enjoyed. City Councilman Paul A. McCarthy, former mayor, will preside. He is chairman of the chest campaign.

Service clubs and other organizations are foregoing their meetings next week to attend the function, which will mark the start of the campaign to raise $10,000 for charitable purposes in Redwood City next year.

Inter-Class Debate Teams Selected

Only one sophomore student is needed to complete teams for the inter-class debates at Sequoia High School, Mrs. John D. Peck, debate adviser, announced Monday.

Inter-class teams to date are as follows: Freshman—Gene Du Pont and Alfred Wigger, affirmative; Lenora Belanger and Alfonso Zermeno, and Robert Walton and Don Mason, negative; sophomore—Margaret Wright and Dan Drew, negative, and Marian Murad and a student yet to be chosen, affirmative; junior—Isabel Garcia and Rebecca Bruck, affirmative, and Willis Rosser and Fred Grover, negative; senior — Ruth Myers and Mary Lou Hawkins, negative, and Pierino Robbiano and Clara Reinhard, affirmative.

The inter-class contests will be on the $30-a-week pension plan, with finals scheduled just preceding the November general election.

For the inter-school contests, Mary Lou Hawkins has replaced Peggy Nixon on one of the affirmative teams, Mrs. Peck announced.

MENLO PARK NEWS NOTES

MENLO PARK, Oct. 6—On Armistice Day, the city officials will dedicate a parcel of property on University Dr., given the city by a donor for a memorial in honor of Camp Fremont, established here in 1917.

The event is to be a big affair and will be attended by state and county officials. Already $1000 has been subscribed to erect a suitable monument in memory of the boys who trained here, many of whom went across to France to fight for the flag, and a few of that number are resting in the poppy fields of Flanders.

The trustees propose to plant lawns and shrubbery to be in keeping with the costly monument. No doubt it will become a shrine for the weary soldiers who will come to pay homage.

At one time over 40,000 soldiers from all parts of the United States were located at Camp Fremont.

Mr. and Mrs. W. B. Weir have closed their palatial home here and have moved to the city for the Winter months.

The Republicans in Menlo Park are preparing a big battle for Governor Merriam and Jack Anderson for congress. Headquarters soon are to be opened near the postoffice. A thorough canvass of the community will be made by a live committee, headed by Isabel Lindquist and others.

Lionel Nunn is enjoying an enforced vacation these days because of the San Francisco strike. For many years Nunn has been the trusted delivery agent for the Peninsula for the White House. Nunn, being a member of the clerk's union, had to go out with them when ordered to do so.

A new paper is to be launched in Menlo Park very soon. J. Price is to be the editor and manager. There is hardly room here for another journal. However, the more the merrier.

George W. Parrent, a former Menlo Park boy, was married last week in New York to a beautiful and talented singer of that city. Parrent is the senior clerk on the United States transport Meheil, plying between San Francisco and New York. Parrent's mother is a native of Menlo Park, and his aunt. Miss Meta Kugeler, resides here.

Local Market Moves 2 Doors on Broadway

The Popular Market, formerly at 2644 Broadway, has opened in a new location two doors west of the former store, at 2652 Broadway. The new establishment includes a vegetable department and butcher shop, but no grocery division.

G. A. Harbas, manager of the vegetable department, and Sal Calcagno, butcher shop proprietor, pointed out that the new store is more up-to-date and compact than the old location. Harbas, who has been in the fruit and vegetable merchandising business for 19 years, has operated his department in the Popular Market for seven years.

Soil District Moves Toward Formation

Formation of the 1485-acre Colma soil erosion control district, first in San Mateo County, was under way today as Assessor Daniel P. Flynn started checking the petition submitted to the board of supervisors yesterday afternoon by Engineer U. S. Marshall. The petition contained 13 signatures of owners holding 764.26 acres.

Marshall asked that the signatures be checked and if found sufficient, that the supervisors request the State Soil Conservation Committee to make a survey to determine the merits of the soil conservation proposal within 60 days. If the state committee approves the project, Marshall said, it will be forwarded to the national soil conservation authority for federal assistance.

COOK THE *NEW* WAY WITH *LOW TEMPERATURE*

To experience for yourself the advantages of low temperature cooking on a new 1939 Gas Range is a joyous surprise. Roasted meats retain juicy freshness, have that "cut-with-a-fork" tenderness and, of course, low temperature means low cooking cost. With less steaming from rapid cooking, the kitchen walls, woodwork, or blinds keep the appearance of new painted freshness years longer.

During the next few days, be sure to see the beautiful new 1939 Gas Ranges on display by dealers everywhere. Special showings of the latest model gas ranges have been set up for you to see. Note the large size ovens, the convenient broiler and easy to keep clean porcelain enameling inside and out of these ranges that cook the new and better way, with low temperature.

Local Workers Will Get Jobs

Charges by Redwood City members of the Carpenters Union that local artisans were discriminated against in the matter of employment on public projects brought action from the city council Monday looking toward employment of as nearly 100 per cent Redwood City residents as possible on the new harbor facilities and library and city hall extension projects.

A. E. Lueger, 28 Franklin St., appearing on behalf of his union along with other carpenters, declared that he "had strong reasons to believe from results of other projects that there is a slight discrimination being shown toward Redwood City men in the placing of employment on public projects." He said that residents of the north end of the county appeared to be favored by the State Employment Office in San Mateo when men were placed on jobs.

As a result of the statements, the council, which only two weeks ago had gone publicly on record as favoring employment of local men exclusively on the projects as long as they were available, decided on three-fold action:

1. Appointment of a committee of councilmen to call on the employment office to ask that Redwood City men be assigned to the projects here wherever possible.

2. Notification to the Building Trades Council that the council desired use of local men.

3. Securing of assurances from successful bidders for the contracts that they would use Redwood City men.

Mystery Veils Entry Means

Police were searching today for a burglar who stole 170 cartons of cigarettes from the Arch St. branch of Safeway Stores sometime Monday night after the closing hour.

According to Acting Sergeant W. H. Thorpe, the thief apparently either possessed a pass key or hid himself somewhere in the store before it closed Monday evening.

Publishers To Probe New County History

San Mateo County publishers, through their association, which met Monday in Belmont, announced here that they plan to investigate a history of San Mateo County that is now in process of preparation.

Recalling that several similar books had been published within the last few years and few copies ever distributed or sold to persons other than those who paid for their biographies appearing in the histories, the publishers said they intended to make sure that the present history is not a repetition of such commercialization.

Copy for the history is being written by Dr. Frank M. Stanger, San Mateo Junior College professor. The publishers emphasized that Dr. Stanger has no connection with the publishers of the book and is serving only in the capacity of historical expert and writer.

At the publishers' meeting, at which a nominating committee composed of Sam H. Winklebleck of the Redwood City Tribune, Floyd McCue, Redwood City Standard, and L. E. Lafferty, San Carlos Enquirer, was appointed, entertainment was furnished by members of the Belmont Theater Group: Art Davison, vocalist; Emily and Maridora Lane, dancers; Bob Manning and Darwin Wheeler, apache dancers; Rea Manning, pianist.

The suit, filed in the superior court, asks that the court ascertain and assess the value of the property desired, the severance damages and benefits to adjoining property, and for a judgment of condemnation giving the county immediate possession.

Pickpockets To Face Trials Elsewhere

Dorothy York and Mrs. Julia Wilson, arrested at a San Mateo County greyhound racetrack on charges of picking another woman's purse, were sentenced to five years in state prison Monday by Judge Maxwell McNutt. Mrs. Wilson will go to Rockford, Ill., where she will face charges of jumping $5000 bail. Miss York faces a San Francisco police charge.

Merger of Water Districts Ordered

Consolidation of the Ravenswood and East Palo Alto Water Districts was authorized by the board of supervisors Tuesday after it heard arguments that the districts would save between $30 and $40 monthly by buying water from San Francisco on a single meter rather than two. Low Interest Rates Offered on Warrants

The board of supervisors has authorized sale of $500,000 worth of tax anticipation warrants to Kaiser & Co. to finance the county government until Dec. 31.

Four banks, competing with Kaiser & Co. for the warrants, failed to match the premium offered by the successful bidder. All but one offered to take the warrants at ¾ of 1 per cent per annum interest. Kaiser & Co. offered a premium of $25.83, and offered to pay for its own legal opinion on the validity of the issue.
